

we learn, we build, we play with
LEGO® Bricks

AFTER SCHOOL

So fun... it won't feel like learning!!

WEATHERSTONE ELEMENTARY

2014-2015 Early Release Days

September 5 1:30-2:30

TRANSPORTATION TIMELINE:

Learn what led Wilbur & Oliver Wright to successfully build and fly the first airplane. Join us to build your very own motorized model of a propeller driven aircraft.

October 17 1:30-2:30

AMUSEMENT PARK:

The NC State Fair is here in October so "step right up" and build a dizzying carnival ride that spins, turns, and goes up and down! You never know which way the TILT-A-WHIRL will move next.

November 7 1:30-2:30

ANIMALS:

In honor of the Thanksgiving holiday, we will be building a turkey! Students will learn a "feast" of fascinating facts about turkeys.

February 13 1:30-2:30

WINTER FUN:

Students will build their geography knowledge by locating the "snow belt" in North America by building a snow mobile and imagining themselves having the time of their lives zipping across the winter landscape.

March 6 1:30-2:30

EXPLORING THE EVERGLADES:

Learn about the important role fish play in our ecosystem and build your own with a wiggling tail and all!

April 17 1:30-2:30

AIR, LAND, & SEA:

Explore the exciting sport of riding and racing a personal watercraft as you build our very clever jet-ski model.

Rates:

\$12 per class

Parents will be emailed a review sheet of each class letting you know key concepts and terms discussed in the class, giving parents a heads up about what was learned that day!
